WHERE ARE WE GOING?

For camp this summer we are headed to Greensboro College for an awesome week together. Passport has assured us that camp will be as Covid-safe as possible, and we will be following their travel, camp and pre-camp precautions to make sure we get there healthy and stay healthy while we are at camp.

BEFORE WE GO...

- We'll need to extend extra caution with our 10 days prior to camp. Still realizing that everyone needs to continue with life, just self-isolate with extra caution prior to camp.
- They are recommending everyone receive a negative Covid test prior to camp, and recommending everyone be vaccinated if possible. (fully realize that this will mostly just include adults).

HOW WILL WE GET THERE?

- Our travel will be conducted with reduced numbers in church transportation, and we will use the recommended cracked windows air circulation method.

WHILE AT CAMP...

- There will be a number of protections in place including, daily wellness checks, mask wearing, most group activities will be outdoor when possible, extra meal safety, and reducing the size of camp into 4 isolated "houses" of interaction.
- Passport Covid protocols website for more information. <https://passportcamps.org/covid-19-protocols/>

CANCELATION POLICY?

- Passport has adopted a generous cancellation policy for this summer given how different it will be compared to previous summers. It is as follows:
- Passport Cancels before May 1 100% refund of ALL fees paid
- Person Cancels before May 1 80% refund (if full fee was paid)
- Passport Cancels after May 1 80% refund (if full fee was paid)
- Person Cancels after May 1 55-80% refund (if full fee was paid; varies by campus)
