

HOW TO SET UP A RECURRING ROOTED & BUILT GIFT ONLINE

Setting up a recurring gift is a simple way to fulfill your Rooted & Built commitment.

1. Go Directly to the Giving Page

Visit <https://pushpay.com/g/fbcwilmingtoninc> to access FBC's online giving page.

2. Enter Your Gift Amount

Enter the amount you would like to give, then select "Set Up Recurring."

3. Choose Your Giving Schedule (frequency)

Select how often you would like to give:

Weekly • Every Two Weeks • Monthly

Then choose your starting date.

4. Select the Fund

Under Fund, select *Rooted & Built*.

- Click Next -

5. Verify Your Information

Enter your mobile phone number. You will receive a security code by text. Enter the code on the next screen and select Confirm.

6. Choose Your Payment Method

Select your preferred payment method. A bank account is recommended to help minimize processing fees.

If you choose to give by credit card, you may check the box to add 2.2% to your gift. This helps cover the processing fee so that the full amount of your intended gift goes to Rooted & Built.

7. Schedule Your Gift

Review your information and select Schedule the Recurring Gift.

That's it! Your recurring Rooted & Built gift is now scheduled.
